# Interviews

# how the hell would you know?

## I have done my fair share of interviews:

- CyberFirst Interviews, moved to NCC
- Camp Canada Interviewer
- Currently work at SBRC

# Interviews

- Research, Research, Research
  - Company
  - Interviewer
  - Who used to have the position you want?
- Do ALL the interviews
- Treat it like a conversation
- Manifestation- why not you?
- Practice makes perfect.

A large, stylized orange number '02' is centered in the upper half of the slide. The '0' is a simple rectangle with a small gap at the bottom, and the '2' is composed of two connected strokes.

# Internships

# how the hell would you know?

## Couple internships

- Interned this past summer with NCC Group, work with SBRC during the year

# Internships

- Like the interviews, apply to them all.
- How to find them?
  - LinkedIn, indeed, Securi-tay/cons, networking
- What if I don't get an internship?
  - Mini projects
  - Build skills
  - Do nothing!
- Are they worth it?
  - Ask around, glassdoor, ask them the right questions
    - Ask exactly what a day will entail
    - What kind of work will you be doing
    - Ask if they have any grads who interned previously

# Avoid summers like this:

My work literally just threw me in the deep end like ok great get to work now LOL

00:1

its week 3 and we are still setting up stuff crying

lol imagine working

lmao my first ever meeting with my manager is gonna be this friday, my last day, for a debrief & letting them know my opinions on the internship..... all the interns in 1 call for 30mins lol

It's fun sometimes but very stress most of the time

19:4

ive just started doing things

i wake up at 12pm now

so boring

i will tell them it sucked

It's SO unorganised being remote it's ridiculous

# 03 Imposter Syndrome

# Imposter Syndrome

- Truly believe everyone experiences at some point for something in their life.  
Don't let it beat you!
  - Everyone starts uni at different levels, more experience: different age, better resources, more time
  - 70% of people, 85% in tech roles
- More common in people who are high achievers...
- Celebrate the successes
- Chat about it!
- Social media
